2016 Application Training

Webinar – September 9 from 10 am – 11:30 am

This year we will be having our annual Small Cities Development Program Application Training as a webinar on Wednesday, September 9 from 10 am – Noon. We hope to save you travel time and expense by doing so. If you would like to discuss your potential proposals, we encourage you to call your regional representative or discuss it with them face to face at the training sessions being held in September.

To connect to the 2016 SCDP Application Training Webinar, go to
